Easter is Coming!

Bible Quote: Psalm 34:3-4

O magnify
the LORD with
me, and let us
exalt his name
together.
I sought the LORD,
and he heard me,
and delivered me
from all my fears.

Dear EPC Family, I know there have been a lot of questions regarding our Drive-In Easter service plans. Please be assured that we are following all of the guidelines being asked of us. We are requesting that if you attend one of our Drive-in services that you plan to remain in your automobile and that you do not roll your windows down. We plan on greeting one another with waves and honks of the horn! Maybe a phone call if you have the person's number. Vehicles will be parked one and a half spaces apart in the parking lot, so please follow the attendant's directions when you arrive. The music and sermon will be broadcast via a radio transmitter and you will be asked to tune your radio to a set frequency. You can enjoy the air-conditioning and comfort of your car during the worship. **Please let people know that we are being responsible in the way we are providing these services on our church property.** Our Governor has listed "Worship and corporate prayer" as an essential, a justified cause to leave your home. Having said this please know that if you have any concerns whatsoever, please refrain from attending the Drive-in services. An Easter Sermon will be posted online for all those who do not attend the Drive-in. We would not carry out this event if it would endanger people.

NOTE: If the assembly mandates change (and they very well may), or the weather is inclement we will cancel the Drive-in services. If either happens, we can all access the Online Worship Experience together Easter Sunday.

Please be in prayer for these services, as I believe many will drive-in who need the Lord.

I love you!
